**Payment and Cancellation Policy**

Last minute cancellations are challenging for us. A deposit of \$500 is due upon registration. Full payment is required 30 days prior to the beginning of the program. This is a small group training experience with a generous staff to student ratio. Last minute cancellations compromise the small group program financially as well as practically. Cancellations 60 days prior to the beginning of the course will receive a refund except for \$100 administration fee. After this date there are no refunds. Delays due to COVID restrictions will be handled by rescheduling wherever possible.

You can register online and Etransfer to [generationfarms@shaw.ca](mailto:generationfarms@shaw.ca). The total fee including GST is \$1680. Your space can be held with a \$500 deposit. Full payment will be completed by April 1.

**Upon payment of the entire fee or a deposit of \$500 we will hold your space**

**What to Expect/ What to Wear**

We will be working outdoors, hands on with the horses for much of the time during workshops, so please come prepared for the weather - including sunscreen, sun hats, and clothes and footwear which are OK to get dirty and/or wet. We also ask that while with the horses you keep cell phones off, avoid jewelry or clothing which may get caught up with the horses/ equipment and have low heeled footwear which covers your whole foot (e.g. no sandals or clogs). Participants will not be riding the horses during the workshop.

We will be providing lunch, snacks and refreshments during the day. If you have any allergies please let us know. Vegetarian choices will be available.

**On completion of this course**, you will receive credit for Focus Level 3 towards the EFW Certification Process through the Professional Association for Equine Facilitated Wellness. It is recommended that you join Pro EFW and apply to enter the certification program prior to the start of training. The details of the EFW Certification Process can be found at [www.equinefacilitatedwellness.org](http://www.equinefacilitatedwellness.org).
